

AP World History
Unit 7- Global Conflict (1900-present)

Please review all objectives and terms by using your notes and handouts from the unit as well as the AMSCO review book found on Mr. Laird's blog <https://coachlaird.edublogs.org/ap-world-history-2/ap-world-history/>

**Note that you are responsible for all the material below whether it is covered in class or not. It is tough to cover all material during the semester, so reading is crucial for success.

Objectives:

- Explain how internal and external factors contributed to change in various states after 1900.
- Explain the causes and consequences of World War I.
- Explain how governments used a variety of methods to conduct war.
- Explain how different governments responded to economic crisis after 1900.
- Explain the continuities and changes in territorial holdings from 1900 to the present.
- Explain the causes and consequences of World War II.
- Explain similarities and differences in how governments used a variety of methods to conduct war.
- Explain the various causes and consequences of mass atrocities in the period from 1900 to the present.
